

PROBLEM BOYFRIENDS/ GIRLFRIENDS

Possessive

You belong to them and they won't share you. You are THEIR property and they can tell you what to do and whom to do it with.

Extremely Jealous

Gets upset when they see you even talk to another guy/girl. Worries about who you talk to and why you talk to them.

Anger control problem

Yells at you. Screams at you. Threatens you. Emotionally abuses you. Puts you down all the time. Is violent to you and other people. Humiliates you in front of other people.

Drug or alcohol abuse

Uses and abuses drugs or alcohol. Encourages you to do the same. Seeks meaning and motivation in drugs and alcohol.

Lack of school ethic or work ethic

Doesn't study or try hard at school. Doesn't work or even think about working.

Self-centered

Only thinks about themselves, their needs and desires, no one else's. Makes you feel insecure and unimportant.

Demands sex

Threatens to leave you if you don't give in. Wants what they want no matter what pain it causes you. Doesn't think of you. Uses you for what they want. Doesn't respect your values.
